EXPERIENCE

Gate 1 Travel - 2004 - Present

Senior Web Designer

At Gate 1 Travel, I am responsible for all nearly everything related to the design of the website. Duties include designing Bootstrap web page templates, creating vector (SVG) travel maps from scratch, curating the stock photo library, building responsive emails & landing pages, product video editing, SEO and more. Also responsible for training and managing new hires in the web department plus administration of multiple email marketing campaigns each week.
